HHA School Bus Protocols & Contract

SCHOOL BUS PROTOCOL:

- **Respect.** Children are to be respectful at all times and listen to the driver's instructions.
- **Punctuality.** It is extremely important to be ready on time for the bus. We strive to have each student picked up at their designated time and be at the school on time for the breakfast program daily. Therefore, the driver will wait no longer than 5 minutes at each stop before leaving. If your child has not made it to their bus on time, it will be the parent's responsibility to get their child to school.
- **Entertainment.** There will be a screen on the bus, playing entertaining and educational videos, with material picked under the discretion of the school. Please do not send videos with your child. Children can bring electronic devices to use on the bus.
- **Absence.** If for any reason your child will not be attending school or plans to go home with another student, please advise the driver and the school as soon as you know.
- **Snow Day.** The driver and school will make the assessment to cancel service due to inclement weather. The School Bus will follow the snow days of the local District School Board. If there is no snow day, in your local area, but there is inclement weather enroute or in Hamilton, the driver will notify parents to whether the bus will be operational.
- **Responsibility.** Arrange to have a responsible person at your home or bus stop, on time, to receive the student. In case of unforeseen circumstances, please contact our school bus coordinator as early as possible to coordinate alternate arrangements.

FEES:

The actual cost of transportation is over \$300 per student, per month, based on 15 passengers.

Our subsidized bus rates are:

- \$100/month per child
- Or \$180/month per family
